To our Valued Clients,

We are very excited to announce several positive changes that are in the works at Kenneth Lynch & Sons! As we approach our 90<sup>th</sup> anniversary next year, we have taken the opportunity to refresh our branding and streamline our products into three distinct product lines.

It is a pivotal time of growth for us and we are thankful to our customers for propelling our third-generation, family owned company into this new phase. To serve you better, and to make our vast collection of products more accessible to each customer audience, we have reorganized into these three new product lines:

### **Lynch Urban Seating**

The premier supplier of iconic benches, game tables and site furnishings to major parks departments in Louisville, KY; New York, NY; San Francisco, CA; and St. Louis, MO; as well as other fine parks, streetscapes and municipalities nationwide.

### **Lynch Estate Elements**

Known for our tradition of finely crafted metal and cast stone garden ornament, such as hand cast statuary, fountains, sundials, and other unique pieces for glorious garden settings. We are now the only manufacturer of lead ornaments in the United States.

### **Florentine Classics**

Fine garden furniture that reflects the traditions of European craftsmanship, classically designed and handcrafted in our Connecticut workshop to stand the test of time.

In the next few months, you will begin to see a new look to the communications we send you based on these new product lines. (Sneak peak of each logo is below.) And in the fall, we will launch our new and enhanced website to better serve our customers online.

Feel free to call or email me at [Maria@KLynchandSons.com](mailto:Maria@KLynchandSons.com) if you have any questions or comments about this new direction. We truly appreciate your business and look forward to serving you for many years to come!

With warm regards,

Maria Lynch Dumoulin  
President
