January 2019,

To our Valued Clients,

If this is your first introduction to Kenneth Lynch & Sons, then welcome! If you are re-aquainting yourself to our product line, we are pleased to have you back. A few years ago we took the time to polish up our branding and streamline our products into three distinct product lines.

2019 ushers us into our 92<sup>nd</sup> year of continuous family ownership. This will also be the first year that our company will be formally recognized as a Woman Owned Business. The distinct product line branding will be more prevalent in our presence going forward. To serve you better, and to make our vast collection of products more accessible to each customer audience, we have reorganized into these three product lines:

### **Lynch Urban Seating**

The premier supplied or iconic benches, game tables and site furnishings to major parks departments in Houston, TX; Louisville, KY; New York, NY; and San Francisco, CA; as well as other fine parts, streetscapes and municipalities nationwide.

### **Lynch Estate Elements**

Known for our tradition of finely crafted metal and cast stone garden ornament, such as hand cast statuary, fountains, sundials and other unique pieces for glorious garden settings. We are now the only manufacturer of lead ornaments in the United States.

### **Florentine Classics**

Fine garden furniture that reflects the traditions of European craftsmanship, classically designed and handcrafted in our Connecticut workshop to stand the test of time.

We always welcome your questions and inquiries. From customizing existing models to the creation of new products, our team can assist you. While we are not designers, we have a full knowledge of our products and can provide guidance on the appropriate items for your project.

With warm regards,

Maria Lynch Dumoulin  
President
