MARKETPLACE

CREATURE COMFORT

The casual, relaxed style of Ligne Roset's Ottoman loveseat is creator Noé Duchaufour-Lawrance's modern interpretation of traditional Moroccan design. The collection, originally purposed for indoor seating, now includes outdoor options. \$5,460, ligne-roset.com.

BEACH READY

Serena & Lily's Beach Club lounge chair is equipped with a zippered pocket, perfect for a beach towel or book. The teak frame is wrapped in a rickrack-patterned canvas. \$298, serenaandlily.com.

SUNNY SIDE

Made Good's Omer pedestal side table is molded in a translucent resin. Available in cobalt blue or Marigold, shown here. Price available upon request, madegoods.com.

OFFERING SHADE

Crafted in Bali, the Whitney parasol from the East London Parasol Company adds an exotic element to your garden. The gold pattern is handpainted by artisans and edged in yellow cotton fringe with orange pom poms, beads and tassels. \$675, eastlondonparasols.com.

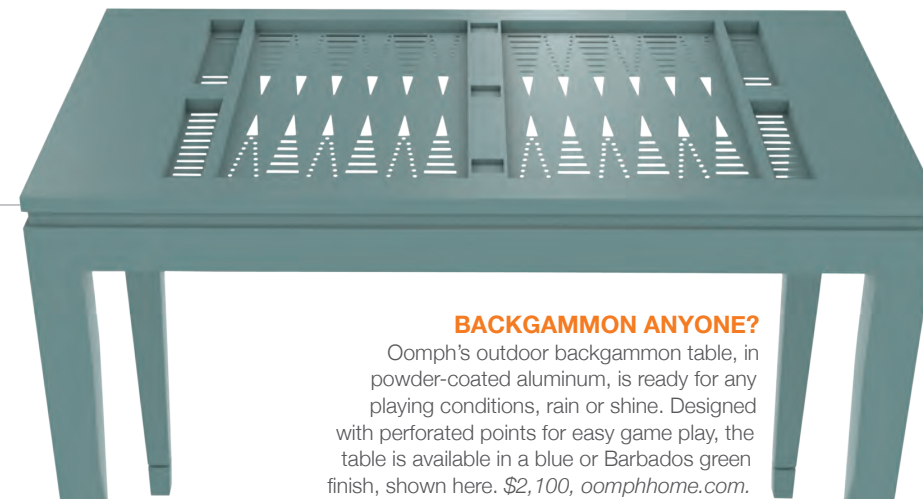

LIGHT MY FIRE

Sitting around the fire is one of summer's great pleasures. No need to collect firewood because the Hemi Fire Bowl by Solus Décor can be fueled with natural gas, propane or ethanol. The hand-cast lightweight concrete is offered in three sizes and ten colors. \$3,695–\$4,995, available through Igne Ferro USA, igneferrousa.com.

SPUN GOLD

The Rilly cocoon chair was designed by Copenhagen-based GamFratesi for Dedon. Featuring Dedon's proprietary fiber, the faceted canopy and semi-transparent weave creates a stunning silhouette. Shown here in Saffron. Price upon request dedon.de.

BACKGAMMON ANYONE?

Oomph's outdoor backgammon table, in powder-coated aluminum, is ready for any playing conditions, rain or shine. Designed with perforated points for easy game play, the table is available in a blue or Barbados green finish, shown here. \$2,100, oomphhome.com.

LOUNGE AROUND

The armless design of Room and Board's Maya chair allows for flexibility—place chairs and chaises side by side or pull apart for solo seating. The marine grade plywood frame is wrapped in an outdoor fabric, accented with zigzag stitching. The swivel chair, shown here, offers the luxury of a 360-degree view. \$999, roomandboard.com.

PLAY IT AGAIN SAM

The Sam Son chair, designed by industrial designer Konstantin Grcic for Magis, is a whimsical addition to an outdoor space. The exaggerated silhouette is distinguished by a horseshoe-shaped back and supportive armrests. Offered in three colors: Curry (shown here), anthracite or red. \$795, available through Design Within Reach, dwr.com.

WELCOMING ARMS

The Nisswa collection of chairs and sofas from Loll Designs features wide arms with chunky cushions in durable Sunbrella fabrics. Made with recycled plastic, the frame is available in nine colors. \$1,395, loll designs.com.

CHECK MATE

Let the games begin with Kenneth Lynch & Sons' chess table. Introduced at the 1939 World's Fair, this table can be spotted in Central Park and, now, your own backyard. The iron base supports a concrete and terrazzo top. \$2,880, klynchandsons.com.
