WHAT'S NEW

Out of the Box

IF IT'S TOO HOT IN THE KITCHEN, TAKE IT OUTSIDE! | PRODUCED BY MARY FITZGERALD

RAIN OR SHINE

Create an outdoor room with the Struxure pergola system. The smart motorized louvers can be opened, closed or pivoted, depending on the weather. Made in the USA from recycled aluminum and stainless steel, the low-maintenance structure is engineered to withstand wind and snow.

Price upon request, available through Durkins, Inc., durkinsinc.com, struxure.com.

WHAT'S NEW

SHORT-ORDER KITCHEN

Achieve the look and feel of a stone masonry kitchen in short order with Eldorado Stone Outdoor Kitchens. Pre-designed configurations include all the necessary cabinets, bolts and end-caps, with a choice of eight stone veneers. *Price upon request, eldoradostone.com.*

SHED SOME LIGHT

Keep the party going after dark with the Halle lantern from Circa Lighting. Designed by Ian Fowler, the fixture's mixed metal finish integrates elegance and function with a modern edge. *\$1,285, circalighting.com.*

ROCK SOLID

Dekton's ultracompact surface is resistant to the sun's rays, making it a perfect choice for outdoor installations. The newest collection, Avant-Garde, draws inspiration from exotic natural materials. Kahalo, patterned after a Patagonia granite, exhibits bold splashes of black, pale gold and coffee brown. *Prices start at \$58 per square foot, cosentino.com.*

WHAT'S NEW

NO-SEE-UMS

Phantom motorized wall screens can be customized up to 40-feet wide. With a touch of a button, the retractable screen disappears out of sight. *Prices start at \$1,500, available through Jon Duranko LLC, connecticutretractablescreens.com, phantomscreens.com.*

SMOKING HOT

Grill in color with Hestan's Aspire double-door grill cart. Available in a rainbow of vibrant hues, including blue, orange, yellow, teal, red, black, and the newest color, Reef pink, shown here. Offered in 30-inch, 36-inch and 42-inch models. *Price upon request, available through Aitoro Appliance, aitoro.com, aspire.hestan.com.*

PICNIC TIME

Kenneth Lynch & Sons' World's Fair picnic table is a classic, as relevant today as it was when first conceived in 1939. Made from lpe wood, the 8-foot tabletop is fashioned with wide planks and bolted directly to a fully welded iron frame. *\$3,757, klynchandsons.com.*

LUXURY SURFACE

Engineered to withstand the most extreme environmental conditions, Caesarstone's Solaris collection is stain-resistant, easy-to-clean and takes the luxury of quartz outdoors. Available in three colorways, Midday shown here. *Price upon request, caesarstoneus.com.*

SWEET SUITE

Thor's six-piece outdoor kitchen is outfitted with plenty of bells and whistles with mix-and-match modular units. Stainless steel components include refrigerator drawers, a wood burning pizza oven, a rotisserie burner, wine cooler, and of course, a pro-style grill. *Prices range from \$5,713 to \$5,913, thorkitchen.com.*

LET IT FLOW

Constructed of solid brass for long-lasting performance, the Newport Brass Adams faucet is available in 28 finishes, but the ultra-durable stainless steel PVD model is ideal for outdoor kitchens. The pull-down faucet features a magnetic docking system and toggle-control spray. *\$1,014, available through Bender, benderplumbing.com, newportbrass.com.*

PHANTOM SCREENS: JEFFREY A. DAVIS PHOTOGRAPHY

STONE AGE

A one-stop shop for natural and man-made stone, GaultStone provides the material, fabrication and installation for outdoor kitchens. The thick black granite, shown here, is just one of many choices. *Price upon request, gaultstone.com.*

FARM TO TABLE

The Godal farmhouse table from Made Goods is crafted from weather resistant gray-hued teak with a limed finish. Each piece is handmade featuring a plank-style top. Offered in four sizes, ranging from 72-inch to 118-inch lengths. *\$3,100, madegoods.com.*

WHAT'S NEW

JAPANESE TRADITION

Honoring the time-honored principles of the Japanese Kamado method of cooking, Kalamazoo's Shokunin charcoal grill delivers cooking flexibility. The deeper grill body creates even heat for smoking, and the shape is ideal for offset fire cooking. \$5,995, available through Albano Appliance, albanoappliance.com, kalamazoogourmet.com.

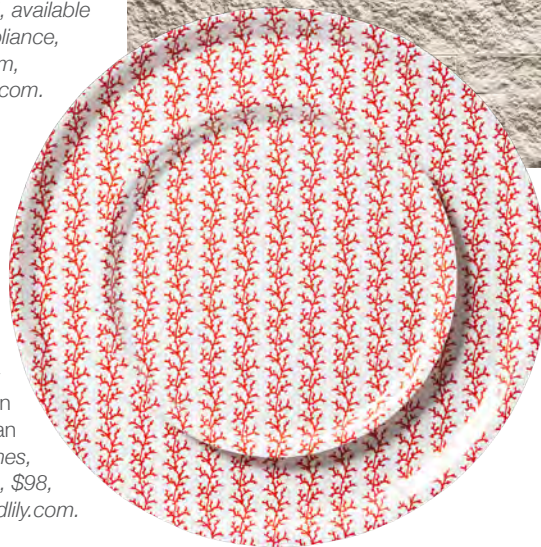

SET IN STONE

Hewn Stone, from Cultured Stone, marries the texture of traditional stonework with a contemporary profile. Perfect for outdoor masonry projects, including fireplaces and kitchens, it's shown here in Arctic hue, one of four shades offered. \$6-\$8 per square foot, available through O&G Industries, ogind.com, culturedstone.com.

DINNER OUT

Serving pieces from Serena & Lily are dressed in a coral stripe. The coastal Beach Bay pattern is laminated on birch wood for easy clean up. Small, 12.5 inches, \$78; large, 18 inches, \$98, serenaandlily.com.

BINGE WATCHING

For sporting events or movies, Séura outdoor televisions keep the entertainment streaming. Engineered for exterior use, take your pick from the Séura Shade series for covered spaces or the Ultra Bright model for open-air viewing. \$3,999-\$7,999, seura.com.

TOUGH AS STEEL

Brown Jordan Outdoor Kitchens presents Elements by Tecno, a collaboration with Daniel Germani Designs and Dekton by Cosentino countertops. The frameless steel cabinetry is powder coated in an array of color options. Price upon request, brownjordanoutdoorkitchens.com.

ALL CLEANED UP

Elkay's custom sinktop with an integrated workstation and Avado faucet center this outdoor kitchen, creating the perfect party space. Custom sink, price upon request; faucet, \$451; available through Frank Webb Home, frankwebb.com, elkay.com.

COOL POPS

Keep a steady supply of cold drinks at the ready with True Residential undercounter refrigeration units. UL-rated for outdoor use, the forced-air refrigeration cools food and beverages quickly. Designer colors are offered in gloss or matte finishes. Price upon request, true-residential.com.
